

# CCPD Dataset License Agreement

Chinese city parking dataset

December 11, 2017

## Abstract

This is an agreement for acquiring full access to CCPD dataset. The End-User named must be a legal institution, or a department or section of a named legal institution, not an individual nor a project the person signing this Agreement has to be duly authorized by the institution for such signatures (e.g., Department or Administrative Head or similar) and shall be liable for such authorization.

**This agreement is made by and between:**

.....  
(hereinafter called END-USER), having its principal place of business at:

.....

## 1 Disclaimer

The CCPD dataset IS PROVIDED "AS IS" AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. The images provided are provided strictly, for non-profit research purposes, and limited, controlled distributed, intended to fall under the fair-use limitation. We take no guarantees or responsibilities, whatsoever, arising out of any copyright issue. Use at your own risk.

## 2 Release of the Database

The CCPD dataset is available to researchers under request, which will be evaluated case by case. All requests for the CCPD Database must be sent to the gmail address xubooy@gmail.com. To receive a copy of the dataset, END-USER named must be a legal institution, or a department or section of a named legal institution, not an individual nor a project the person signing this Agreement has to be duly authorized by the institution for such signatures (e.g., Department or Administrative Head or similar) and shall be liable for such authorization.

### 3 Terms and Conditions

By signing this document, END-USER agrees to receive a copy of the CCPD dataset under the following restrictions and obligations:

- Redistribution: the CCPD dataset cannot be, in whole or in part, further distributed, published, copied, disseminated or broadcast, in any form, whether for profit or not. That includes further distribution to a different facility or unit within the END-USER's university, organization, or company. An exemption is provided for a small number of images located in the folder named 'samples', which can be used for illustrations of scholarly posters, presentations and publications.
- Commercial Use: The CCPD dataset, in whole or in part, may not be used for commercial purposes, directly or indirectly, including its use for product development or other for profit activities, without the express permission of CCPD.
- Protection of identity: The identity of the subjects in the database is strictly protected. Names are not released. We agree not to disclose the names of the persons in the database and to connect the data with the names, if we get this information through another source. Furthermore, only images in the folder named samples can be used for illustrations of scholarly posters, presentations and publications.
- Indemnification: The END-USER agrees to indemnify, defend, and hold harmless the Smart Surveillance Interest Group, the Computer Science Department, and the Federal University of Minas Gerais, their administration, officers, employees and agents, individually and collectively, from any losses, expenses, damages, demands or claims based upon any injury or damage (real or alleged) resulting from END-USER's use of the CCPD dataset. The END-USER agrees to take full responsibility and pay all damages, claims, judgments or expenses resulting from END-USER use of the CCPD dataset.
